

Standard operating procedures during covid-19 and beyond.

Safety First

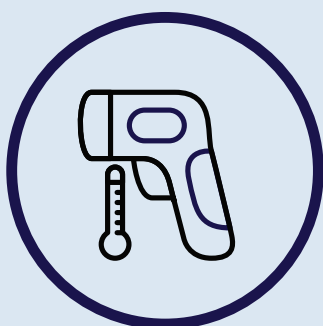

The health and safety of our players, coaches and players' parents is our number one goal. During these uncertain times we ask everyone to do their part. Together we can successfully have a great season.

As the season 2021 is about to start, Youth Football International academy is determined to make sure that every guidelines and directives given by the American Embassy school and the Delhi government will be respected & applied.

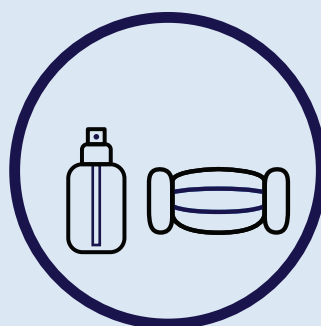

To assure the safety and well being of every player in every age group, our coaches and players will be following the same standard operating procedures put in place by the Ministry of sports and our own academy guidelines.

During this time, physical activity is important for any player. Our new calendar and time table will reflect the new coaching procedures. Upon registration every child will be given a custom made YFI face mask and a bottle of hand sanitizer.

General Guidelines

Temperature checks before every session

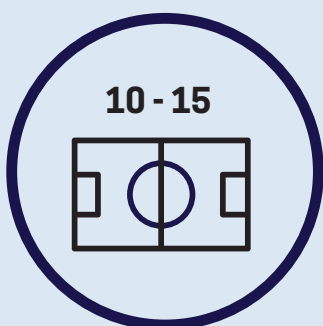

Carry a mask & sanitizer at every session & use it appropriately
