American Embassy School
Chanakyapuri , New Delhi

Youth Football International (YFI), was founded in 2014 with the objective of enhancing the quality of football at the grassroots level through our coaching programme at our academies.

Our academies run on football fields that meet international standards. Our international coaches are UEFA or FA (UK) licensed. We currently have a presence in Delhi and Faridabad and we plan to expand our operations to other regions in the country.

SCHOLARSHIP PROGRAM

Scholarship program is mainly focused on children from underprivileged backgrounds and aids in their development as they learn new techniques and life skills through football discipline, teamwork, communication and commitment.

We believe giving an opportunity to a child from a less fortunate upbringing, enables them to express themselves through football and provides the chance to engage with other communities. **By sponsoring a child this will give your esteemed organisation a chance to give something back to society.**

Dream
to become a
FOOTBALLER

PROCESS

SEARCH

The trials are a transparent process and we provide all players the best chance to illustrate his/her skills.

TRAIN

Training is the environment for each scholar to evolve as a player. Training delivered by our coaches is planned to enable our scholars to develop their football and life skills.

TRACK

We track their progress after they leave our Academy, providing them guidance and the opportunity to apply for jobs, such as Coaches, Referees and Administration.

BEING A SCHOLAR

YFI takes care of all Scholars' by providing high quality football education, exceptional facilities, footballing and core life values. With excellent training and the opportunity to participate in the Delhi Youth League this provides a competitive environment to enjoy the beautiful game.
